

# Education Week Special Luncheon

## Thursday 6 August

Traditionally, the P&C host two lunch clubs a term to bring a canteen experience to the kids of HGIS. Additional to this, the school usually hosts a community BBQ during Education Week. Due to the complexities associated with COVID-19 and the guideline stipulated by NSW Health and NSW DoE we have not been able to offer these opportunities since March. In an effort to celebrate Education Week in a safe fun way, we have worked with the Barra at Mortdale to coordinate the delivery of individual lunch packs on Thursday 6 August for our students.

If you are interested in your child participating in our fun lunch day, please complete the form below and **enclose the correct money** in an envelope and have your child return their order to the office. **Please do not pay online as the money is being processed by The Barra.**

---
